### A message from our Lay Director — George Stemper

Dear Gold Coast Via de Cristo Community,

#### **NOW OPEN FOR WEEKEND #102 - CANDIDATE SPONSORSHIP**

The Men's and Women's Teams for Weekends #102 are ready to bring the blessing of Via de Cristo to a group of candidates! **They will need your help with candidate sponsorship.**

Significantly, a Via de Cristo Weekend is a lifelong gift but it does not begin without your start by sponsoring a friend or acquaintance for a Weekend.

Now is an ideal time to provide the blessings of a strengthened personal relationship with Jesus Christ through our community of support. Weekends #102 will be held:

To sponsor a candidate, visit our website at [www.goldcoastviadecristo.com](http://www.goldcoastviadecristo.com)

#### **2023 SPRING SERVANT LEADERS SCHOOL**

With our 2023 programs now in full swing, it is with special delight that John Elliott, Leader's School board rep, and I share with you our upcoming GCVDC Servant Leaders School invitation.

**Saturday, February 18, 2023.**

**Above and Beyond Church (formerly Son Coast), Boca Raton, FL.**

**Begins with a light breakfast at 8 AM and concludes at 12 PM.**

The Servant Leaders School team will provide insight into Weekend Dynamics. The popular "101" Class is a great way to gain insight into the Weekend process. The Gold Coast Via de Cristo Servant Leaders School is the wellspring for many lay leaders in supporting the Christian commission at local churches.

#### **MEN'S #101 - WEEKEND WRAP-UP**

John Dierker, as Rector, did an outstanding job leading the Men's Team #101 supported by Head Cha, Ed Dolan; Head Server, Greg Panos; and a full team of men, spiritual directors, dining room staff and kitchen team. On September 22, 2022, the Men's Weekend #101 opening took place at St. Paul Lutheran Church in Boca Raton. We were blessed with an exceptional group of candidates who bonded in an extraordinary way, cemented as new VDC brothers in Christ.

Co-site Coordinators, Mike Dattolico and Ed Ross, teamed-up to provide excellent location support. Our GCVDC Community volunteer teams showed-up in big way. From set-up, through meal service, chapel, the serenade, and breakdown, it was great to see our community help to make the Men's #101 a tremendous success for His Kingdom!

Men's #102

## A message from our Lay Director cont. — George Stemper

### WOMEN'S #101 - WEEKEND WRAP-UP

Carol-Ann Beers, as Rectora, provided the enthusiasm and servant leadership needed to achieve a highly successful and memorable Women's Weekend #101. With the very capable support of Head Cha, Beth Henshaw; Head Server, Zoe Moore; and highly motivated team, Women's #101 brought the Via de Cristo gift to the Weekend candidates. Weekend #101 kicked-off October 13, 2022. We are most thankful to Faith Lutheran Church for making their facility available to support the Weekend. Faith's Site Coordinator, Matt Henshaw, worked closely with team leadership to accommodate the Weekend that took place during their school year. Without question, the presence of the Lord was felt, and lives were changed.

### VOLUNTEERS - THANK YOU!

For weekends #101, our Gold Coast community responded to God's call for the Sponsorship of dozens of candidates. Our energetic community and Weekend teams were able to share, care and help deliver the powerful experience that was wrapped in the power of the Holy Spirit and love of Jesus Christ. We volunteer because the Holy Spirit has impacted our hearts in a special way. Our Community in Christ makes a difference. As a Via de Cristo volunteer, please know that your service is appreciated and that they you loved by our VDC Community and Christ. Thank you for your who you are, and what you do!

### INSATALLATION ULTREYA 2023

Our GCVDC Installation Ultreya 2023 took place on January 14 at Faith Lutheran Church in North Palm Beach. This event provides an inside look at the team of men and women who comprise the Secretariat Board. Significantly, it is a time to provide special recognition of our outgoing Secretariat board members for their contributions, and their incoming replacements. As an all-volunteer organization, each of the following VDC members provided their time and direction for our Weekends and all other Gold Coast VDC events.

#### **Outgoing and Incoming board members included:**

**Pastor Ken Baker, Spiritual Director:** Pastor Ken has provided the board with energy and passion. Given his new and growing ministry at First Baptist Church Lantana, the Secretariat has been extremely blessed to have worked together with Pastor Ken. **Pastor Ken will be succeeded by Pastor Gerry Olsen.** Pastor Gerry brings a wealth of experience and has already started in his new role by assembling the pastoral teams for Weekends #102.

**Janet Cunningham, Music:** Janet, having served through the challenging times during our Covid hiatus, completed 3 terms spanning 6 years! Her passion for music in ministry is clear. We have been blessed to have had Janet's time and guidance, all wrapped with the gift of music, for so many years. **Janet will be succeeded by Gina Kastner** who many from our community already know from previous Ultreyas and events. She has a passion for Christian music and excellent organizational skills. Welcome Gina!

**MaryAnn Henry, Post Via de Cristo:** MaryAnn also served the board through an extended term during the challenging Covid period. Having worked together with MaryAnn on Ultreyas, the Covid "Connect" Event, and the special Celebration 100 event, her heart for the Lord is clear. Thank you, MaryAnn, for your amazing service in coordinating and emceeding events, and leadership with the Gold Coast Reunion movement. **MaryAnn will be replaced by Carol-Ann Beers** who many of us already know well. Most recently Carol-Ann served as Rectora for Women's Weekend #101! Carol-Ann is a natural for moving into the Post Via de Cristo board position. We are most thankful for her accepting God's call!

### Volunteer Opportunity

Calling all handymen, Electricians, Carpenters, General Contractors, etc. Our beloved VDC trailers are in need of some tender love and care. If you are able to assist with some upkeep please contact Scott Bruening 561-756-6814

## A message from our Lay Director cont. — George Stemper

**Angela Perkins, Communications:** Angela served with dedication, but her term was cut short when called up to Maine to take care of her father. **Angela was replaced mid-term by Lindsey Brown** who comes to the board with a communication and digital graphic skill set that allowed her to hit the ground running. Lindsey will also be coordinating Weekend-related Technology including training the Tech Chas on the equipment set-up and Pro Presenter software. Welcome Lindsey!

A special note: In advance of Lindsey's arrival to the board, **Kevin and Debbie Janies stepped-in to support the communications activity.** Their contributions often go unnoticed as their efforts are often below the radar. With that, I want to take this opportunity to say "thank you" for helping-out Gold Coast VDC when the need arose.

De Colores!  
George Stemper  
Lay Director

P.S.- Please pray for the Leadership teams for Weekends #103 that are now in place!

Men's #103: Rector, Ed Ross; Head Cha, John Elliott; Head Server, Mike Dattolico

Women's #103: Rectora, Patti Baker; Head Cha, Char Galetka; Head Server, Addie Bruening

## A message from our Assistant Lay Director — Marianne Dierker

Greetings and Happy New Year!!

After 1 year as your Assistant Lay Director (ALD), it's probably time I introduce myself and share some reflections of last year and hopes for this coming year.

My name is Marianne Dierker, I made weekend #74 where I sat at the table of Esther; my husband John and I worship and serve at St. Paul Lutheran Church and School in Boca Raton. I am very blessed and humbled to serve our Lord and Savior by serving Gold Coast Via de Cristo.

My first year as your ALD was a blur – learning the ropes, making some mistakes, but also learning to accept and extend grace. I learned that weekends never go as planned and there are always little bumps on the way to challenge our patience, BUT with all that, weekends always work out perfectly – because GOD IS IN CONTROL.

2022 was our year of different and yet the same. We finally had the opportunity to emerge from our cocoons of COVID and venture out. After a 2-year incubation period, our community came out strong for weekends 100 and 101. Community participation was great, and sponsorship was high. GOD showed up and showed off MIGHTILY!! The Holy Spirit impacted the hearts of the candidates, team members and community. The thirst for fellowship was tangible – overwhelming attendance to Celebration 100 and the Ultreya for 100 and 101 were akin to family reunions.

2023 is well underway, with meetings for weekends 102 moving forward. We have plans for the weekends, and most likely GOD will tweak our plans to make everything come out according to HIS will. We have guidelines, BUT we need to lead with grace and accept that GOD's plans do not fit in our tiny boxes and parameters. So, for me this will be the year of continued learning, trusting God, humility with the extending and receiving of grace. Prayerfully – the rest of my term on Secretariat will be the same – learning, trusting, humility and grace...

Jesus truly does love you, as do I.  
Marianne Dierker

## A message from John Dierker—Rector #101

To my fellow Via de Cristo Cursillistas, I have determined that God definitely has a sense of humor. I'm not one to necessarily lead a group of men on a journey through a men's VDC weekend. I prefer to be in the background assisting with whatever is needed to help make a weekend run smoothly so the candidates and the team can have a wonderful 3 days experiencing God up close. So, what does God do? He convinces Kevin Janies and the Secretariat that I am worthy of being a Rector for a men's weekend. I'm asked to be Rector and after much prayer God informs me to take the job. Okay. Fine. I'll do it but God, you need to be there with me. God did stay by my side but just because God is close didn't make the task a piece of cake. I think God thought it wasn't quite the right time, so Covid came along and paused weekend 101 for over 2 years.

A lot of the preparation for a weekend is outlined in a manual that explains the process of setting up a schedule, preparing a team manual, gathering items for the weekend (bells that get stolen, communion elements that may be a bit small, you know, things you see on each weekend) and the most difficult part for me, gathering a group of men to form a team. You see, I have never liked to call people and ask for help. I much prefer to do that in person. That's just me. So now, I need to make many, many phone calls to ask men to join the team. God is still there but I think he gets a little grin when I continue to get shot down by a lot of men. I don't mean this in a bad way. Everyone has busy lives and many of us are just too busy at different times in their lives to fit in 10 weekly meetings, a Saturday walk-thru and 3 days away from work and the family. So...I got a lot of nos. That's what I, a human, thinks. God thinks differently. God knows who should be on the team, I just didn't call the men God wanted on the team. In the end, the team was a group of men like me who love the Lord, love VDC and love bringing other men who love the Lord to VDC to make them stronger Christians.

On every team I've been on, I loved going to the weekly meetings. There's nothing better than a group of men eating great food, singing to the Lord, praying together and just getting to know each other. Each of us have unique talents and abilities that blend together to form a unique men's team that will absolutely do their very best to serve the candidates on the weekend in such a way that the candidates feel like God is at their table. And God is at their tables, smiling away, knowing that his kingdom is becoming stronger because we give the candidates a path to being much, much closer to God. That's what we do as a VDC community. In the blink of an eye, the weekend began. There's that unique VDC excitement in the air. Hands clapping, candidate with that 'deer in the headlights' look and a room full of Cursillistas just having a great time. So, in the Sanctuary, it's noisy and full of energy. When we get up to the Rollo room, silence. You could hear a pin drop. Thursday night is a quiet start to a weekend full of surprises, laughing, crying, bad jokes, great singing, wonderful worship and awesome Rollos.

As a Rector, on the weekend, I'm in my own little world. I get to experience the weekend along with the candidates. I marvel at the change that happens at each table as God lays his hands on the men to mold them into a unique, close group of believers. Each table is different because God guided Ed Dolan and myself in placing the candidates with the right table professors and chas. God has humor. I had one table that were all electricians. But God was also very inciteful. I had one table where each of the men has lost a child. God works in beautiful ways!

After Thursday night's quiet library noise level, the energy picks up throughout the weekend. The candidates get to hear some touching Rollos that shows them that everyone has difficulties in life but with God's help they can persevere through those difficulties to become leaders in their homes, churches and community.

As Rector, I really have a small part in the weekend, it's the rest of the team that makes it happen. The toughest thing I had to do was get close enough to the microphone so that everyone could hear me. I prefer not to 'swallow' the mike. I guess I should have borrowed Ed Dolan's voice when addressing the room, then I wouldn't need a mike. Every man on the team did their very best to show God's light to the candidates through their smiles, actions, and words of encouragement.

## A message from John Dierker—Rector #101 Cont.

Saturday evening was a glorious celebration for the candidates and the team. A beautifully decorated table awaited us with a wonderful dinner lovingly prepared by the kitchen crew and a lot of caring VDC Cursillistas. It may be just me but I think the women who sang for us that night sounded like angels from heaven. To me, it was the best ever! Thank you to each of you who took the time to sing for the candidates and the team.

Sunday's closing was a wonderful time to hear from just about all of the candidates tell us about their experiences on the weekend. All of us truly appreciated their comments. They reinforced our desire to provide the same opportunity for more men, and women, to experience God's love in a tangible way.

I want to thank all that helped to make weekend 101 a success whether you were serving on team, helping out in the kitchen, praying for the candidates in the Palanca Chapel, singing Saturday night or just supporting the weekend with prayers from afar. All of you made the weekend a success. And I want to thank the candidates for trusting their sponsors and coming to the weekend. You blessed us as much as we blessed you.

God bless,  
John Dierker

## A message from Carol-Ann Beers—Rectora #101

De Colores! My name is Carol-Ann Beers and I made Via de Cristo weekend #71 where I sat at the table of Naomi. I serve and worship with my hunk of a husband, Jamey Beers, at Calvary Chapel Boca Raton. I had the honor and privilege of serving as the Rectora for Women's #102 and boy was it a privilege! I made my weekend in 2005 and after it I knew I wanted to come back and serve...I just never imagined as a Rectora some day. I did, however, come back and serve at almost every weekend since and answered just about every call to be on a team. Jamey and I had been praying before our weekends for God to bring us Christian friends and He answered it with Via de Cristo. He gave us so much more than that, he gave us a sense of belonging, Christian family and a desire and motivation to serve Him and others. Looking back over the teams and positions I served on over the years, I see His hand in sculpting and shaping me into the woman He called to lead the team and women of 102. It was a long road that began in 2016 when I was first asked to serve, but due to my work schedule, I was not able to say yes until 2019. Then COVID hit...putting us all on hold. I believe all of it was God's timing because He knew I wasn't ready until 2022!

He put together the most wonderful team of servant leaders ready to do anything and everything asked. I thoroughly enjoyed getting to know each of the women over the ten weeks of preparation. As for the weekend...wow! The candidates of 102 were all eager to dive into a deeper relationship with our Savior from the beginning. It was incredible to watch them as they transformed before our eyes. There was great bonding right away. There were so many God winks throughout the weekend, confirming Who is really in charge of the show! The weekend ranks at the top as one of the best in my life. It's hard to describe the joy in watching all the puzzle pieces come together. There were doubts I had in preparation for the weekend, but I kept getting reminded by God that it's His weekend and He doesn't make mistakes and I thank Him for it. My only regret is that I didn't journal all of my experience immediately after the weekend so for those men and women who are asked to serve as Rector/a, takes lots of notes of your encounters with God, they will be so special!

Jesus loves you and so do I,  
Carol-Ann Beers

## Men's #102 March 23-26, 2023 Trinity Lutheran Delray Beach , FL

"Look, I am coming soon, bringing my reward with me to repay all people according to their deeds. I am the Alpha and the Omega, the First and the Last, the Beginning and the End."
